The undersigned, whether a Corporation, Limited Liability Company, a Partnership, an Individual, Husband and Wife or other entity (hereinafter called the "Applicant")¹ hereby applies for membership in, and agrees to purchase electric energy from the Central Electric Cooperative (hereinafter called the "Cooperative") upon the following terms and conditions:

Membership

1. The Applicant must have current, active electric service with the Cooperative, including a \$50.00 membership fee on record. The application, when completed and signed by a member of the Cooperative, will become an additional service contract. The Applicant will be charged a Service Initiation Fee that will be applied to their first bill. In addition, a security deposit may be required, which will earn interest and will be refunded after 12 consecutive months of prompt payment or service disconnection. A security deposit will not be required from present Central commercial or industrial consumers who have received electrical service from Central for twelve (12) consecutive months and service has not been terminated for non-payment, nor was payment late more than three (3) times. The twelve (12) month service period will be considered to be the most current twelve (12) month period before the application for service from Central. A present member may be required to post a deposit for up to one-sixth of the estimated annual bill on an account as a condition of continued service if undisputed charges have become delinquent in three (3) out of the last twelve (12) billing periods or if the member has had service disconnected for non-payment during the last twelve (12) months or had an insufficient fund item. A guaranteed letter of credit, surety bond, or other instruments acceptable to Central, valued equal to or greater than the required amount of deposit may be accepted in place of the security deposit. For a further explanation of fees, please visit www.MyCentral.coop or call the Customer Service Department.

2. The Applicant will comply with and be bound by the provisions of the Articles of Incorporation, Bylaws of the Cooperative and such rules and regulations as may from time-to-time be adopted by the Cooperative.

4. The Applicant hereby agrees that \$3.48 of the amount paid for electricity each year is for a subscription to OKLAHOMA LIVING.

5. The Applicant will cause its premises to be properly wired in accordance with all applicable electrical codes. The Cooperative may refuse to connect, and may disconnect power to any service not meeting the codes.

6. Applicants may notify the Cooperative if they have a physical disability or are over the age of 65.

Payment

7. The Applicant will, when electric service becomes available, purchase from the Cooperative all the electric energy purchased for use on the premises described below, and will pay therefore monthly at rates to be determined from time to time in accordance with the Bylaws of the Cooperative; provided, however, that the Cooperative may limit the amount of energy which is shall be required to furnish to the Applicant. In the event the Applicant does not utilize the minimum amount of kilowatt-hours set by the Board of Trustees, the Applicant agrees to pay the minimum monthly payment set by the Board of Trustees.²

8. Applicant agrees that a 1.5% late fee will be added to the bill on all balances not paid by the due date. Unpaid bills become delinquent after the due date and the account may be subject to disconnect, a collection fee, and an additional deposit. Failure to receive bills does not extend payment dates. Applicant also agrees that should service be terminated due to failure to pay monthly bill, the Cooperative is not to be held liable for any damages incurred as a result of such termination.
